

Greetings from Galveston's Holiday Headquarters,

The Galveston Railroad Museum will host the popular family event, The POLAR EXPRESS Train Ride, November 13 – December 23, 2026, and this year we invite you to plan your holiday party with us. We have created several Polar packages designed for company, friends, or family festivities for you to consider. The holiday event sells out early, so we urge you to contact us as soon as possible if you choose to include the POLAR Express Train Ride in your party plans. We take reservations for a ½ car (32 seats) or an entire car (64 seats) that may be booked directly through our office. For availability and reservations call (409) 765-5700. Individual seats for Polar Express are available online only.

Guests enjoy a magical holiday when the museum is transformed into a festive Christmas experience where guests enjoy photo ops from the depot to the courtyard. We twinkle with lights, fun, laughter, and entertainment! Our Christmas party packages offer a choice of a vintage display railcar or the Exhibit Hall adjacent to the depot. An example of a party package may include beginning, or ending, with the Polar Express Train ride, and continuing for cocktails and hors d'oeuvres (an hour before showtime if prior to ride). Guests enjoy access to the POLAR EXPRESS Gift shop for a commemorative item. Docents will guide your guests to the Train Depot to enjoy the show.

At the end of the POLAR EXPRESS journey, guests will meet Santa, take photos , enjoy dancers and entertainment at The North Pole, and then return to your party. Party plans are suitable for families, groups, and adults.

David Robertson, Santa's Personal Assistant at the Galveston Railroad Museum will assist you with reservations and planning your overall event experience. (409) 765-5700

We look forward to your visit.

Merry Christmas,

David Robertson
