THE POLAR EXPRESS™ Train Ride Returns to Galveston Railroad Museum!

November 13 – December 23, 2026. We will be offering sensory rides for neuro-diverse individuals in dedicated cars, **Tuesday, December 15, 5:30 pm and 7:15 pm.** The 2025 sensory cars were fully booked and a waiting list indicated that more seats are needed to fill requests. The museum can accommodate 2 – 6 dedicated cars. Staff and volunteers work with teachers and individual groups to provide opportunities for special needs individuals year 'round and especially for Polar Express for families to enjoy the holidays. All reservations are received through the museum office directly and not online. Must be accompanied by an adult.
